SUMMARY

I am a versatile web developer with a background in lighting design, infusing creativity and attention to detail into crafting dynamic web experiences. My expertise in JavaScript and the MERN stack fuels my drive for diverse solutions, while my past experiences in customer service and live entertainment enable seamless collaboration and imaginative problem-solving.

EDUCATION

Emerson College BFA Theatre Design & Technology	Boston, MA 2008 - 2012
Zero to Mastery Academy Degree in Web Development	2023 - Present
